"Ajectives, Adjectives, Adjectives"

Use the clues to help unscramble the mixed-up letters to spell common adjectives.

An adjective is a word that is used to describe a noun. Some common nouns are: skinny, sad, slow, angry, late, tall, speedy, young, shy, loud. In the sentence, "The test was easy," the word "easy" is the adjective because it was used to describe the test (which is a noun).
